Library Research Assignment: Music History and Literature II (MUH332)

Submitting the Assignment
Scan your completed assignment and save it as a pdf. Upload the file to your MUH332 Canvas course. An easy-to-use scanner is available in the library’s Reference Area. The Music History Research Guide is found at libguides.pointloma.edu/MusicHistory.

List three to five search terms [up to 3 points]
These should capture the main components of your research topic.

1. ________________________________
2. ________________________________
3. ________________________________
4. ________________________________
5. ________________________________

2. New Grove Dictionary of Music and Musicians [1 point]
Using the Library's catalog, WorldCat (http://libguides.pointloma.edu/ryanlibrary), find then give the area of the Library and the call number where The New Grove Dictionary of Music and Musicians books are located. (The New Grove books are located in two places in Ryan Library. Choose one or list both.):
3. Book Available from Ryan Library [5 points]
Use the WorldCat tab on the Ryan Library home page to locate a book, either a print book on our library’s shelves or a PLNU-owned e-book available through WorldCat.

Title: ________________________________________________________________

Author: ________________________________________________________________

Publisher: ______________________________________________________________

Publication Date: _______________________________________________________

Is it a print book or an ebook? ____________________________________________

4. Scholarly Journal Article from a Database Provided by Ryan Library [6 points]
Use the ARTICLES AND DATABASES tab on the general Music Research Guide or the MUH332 Research Guide (they’re the same) to locate a complete and full-text scholarly journal article. Use the tools available on your initial results screen to narrow or improve your search results. Provide the information necessary for citing a scholarly article from a database in MLA format:

Author(s): ________________________________________________________________

Article title: _____________________________________________________________

Journal title: _____________________________________________________________

Volume number: ______ Issue number: ______ Date: _______ Page numbers: ______

Database name: __________________________________________________________

DOI or Permalink: _________________________________________________________

5. Applying MLA Format [5 points]
Select one of the three sources listed in this assignment and create a complete MLA citation for that item. Consult the MUH332 Research Guide, the MLA Handbook, 8th ed., and outside resources like the OWL at Purdue website for instructions. Search for additional information if your citation requires it. Write your citation carefully and legibly:

________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
________________________________________________________________________
